Thank you for your inquiry about Creative Dance with us, we look forward to having you join us at the Academy of Dance!

What is Creative Dance?

Creative Dance is a class that runs once a week for 55 minutes. The dancers learn Tap and Ballet each week, as well as do Creative Movement! We also work on coordination, direction, waiting our turn, respect to ourselves and others, and socialization!

Creative Dance is a non-parent participation class, kids come into class on their own to participate. There will be one viewing day set for session #1 and #2 for parent's to see what their little one is working on in class, this viewing day will take place virtually, you will be sent a link closer to. No viewing days will be set in session #3. AOD posts frequently on social media for parent's to see how their child is doing along the way. Parents are welcome to run errands during their child's class time.
