

Groove 2 Moves Information

Thank you for your inquiry about Groove 2 Moves with us, we look forward to having you join us at the Academy of Dance!

What is Groove 2 Moves?

Groove 2 Moves is a class that runs once a week for a half hour. The dancers learn Ballet each week, as well as sing songs and Creative Movement! We also work on coordination, direction, waiting our turn, respect to ourselves and others, and socialization!

Groove 2 Moves is a parent participation class for the first 3-4 weeks, during session 1 only, at which point we start getting the kids to come into class on their own. We find that the classes progress really well and the kids are less distracted without parents in the room. We do work with each child on this at their pace. After this the dancer's enter the space on their own for their class time, and the class becomes a non-parent participation class. There will be one viewing day set for session #1 and #2 for you to see how your little one is doing, these will be virtual, you will be sent a link closer to. No viewing days will be set in session #3. Once you are comfortable with your teacher and their class please feel free to go run a quick errand during your child's half hour dance class. AOD posts frequently on social media for parent's to see how their child is doing along the way.

What to wear?

When first starting out please feel free to wear comfortable clothing and bare feet as we want each child to feel comfortable. As the sessions progress please feel free to dress in proper Ballet attire and Ballet slippers. Dance shoes and clothing can be purchased here at Academy of Dance from the boutique wall at the front desk during desk hours.

What does dance day look like?

Upon receiving your registration email your dancer will be assigned a designated entry door, where their teacher will let them in at class time, dancer's will be let back out the same door at their scheduled exit time. (all times will be sent in your registration email). Please arrive to class ready, keeping all extras in the car. There are bathrooms for the dancers to use if needed inside the building.

Extra Costs:

There is a Spring Recital where the kids perform at the Sagebrush Theater and show tickets are purchased from Kamloops Live Box Office (details released in April). There will be a performance fee attached to your session #3 fees of \$55.00, for this fee your dancer will receive a show gift, and a keepsake program, plus a digital download of the entire show to keep.
